

ADVANCE MEETING

Venue: European Commission (EC)

Institute for Prospective Technological Studies (IPTS) - Room A30. First floor

Isla de la Cartuja, Edificio Expo, Calle Inca Garcilaso 3, 41002 Seville

Date: April 18-20

AGENDA

Monday, April 18, 2016 - ROOM A30

14:30–15:00	Welcome, B. Saveyn (IPTS) Objectives of the meeting, E. Kriegler (PIK)	Chair: B. Saveyn
15:00-16:30	Session on scenario work <ul style="list-style-type: none">• WP6: Reference policy and INDC scenarios, Z. Vrontisi (IPTS)<ul style="list-style-type: none">○ Policy rationale and modelling protocol of WP6 scenarios○ First reference and policy scenarios results○ Discussion with teams• Scenario work for Task 1.4: Sectoral decarbonization and achievability of 2°C/1.5°C targets, G. Luderer (PIK)	
16:30-17:00	Coffee break	
17:00-18:30	Model diagnostics and documentation (WP1) <ul style="list-style-type: none">• Model documentation, V. Krey (IIASA)<ul style="list-style-type: none">○ Overview of documentation review○ Update of model documentation by December 2016○ Migration to an alternative platform• Diagnostics, E. Kriegler (PIK)	Chair: Y. Scholz
20:30	Joint dinner (self-paid) Address: Restaurant Casa Manolo León, Calle Guadalquivir 12, Tel.: +34 954 373 735	

Tuesday, April 19, 2016 - ROOM A30

09:00-09:15	Representation of existing policies & demand side heterogeneity (WP3) <ul style="list-style-type: none">• Energy subsidies, J. Jewell (IIASA)• Transport behavioural modelling, D. McCollum (IIASA)	Chair: H. Pettifor
09:15-10:00	Systems Integration, Resource Bottlenecks and Path Dependencies (WP5) <ul style="list-style-type: none">• Electricity water demand, I. Mouratiadou (PIK)• Environmental impacts of power supply, G. Luderer (PIK)• Summary of insights from VRE integration work, R. Pietzcker (PIK)	
10:00-10:15	Coffee break	

10:15-12:00	WP3 Break Out Group (ROOM A30) <ul style="list-style-type: none"> • Transport behaviour modelling, D. McCollum, H. Pettifor (IIASA) • Energy subsidy publication strategy, J. Jewell (IIASA) 	WP5 Break Out Group (ROOM A41) <ul style="list-style-type: none"> • VRE high-level insights paper, R. Pietzcker (PIK) • Study on environmental impacts of power supply: next steps, G. Luderer (PIK) • Results of transport infrastructure modelling work, E. Ó Broin (CIRED)
12:00-13:30	WP6 Policy Report, Z. Vrontisi, B. Saveyn (IPTS) <ul style="list-style-type: none"> • Milestones and timeframe • Report outline • Model participation • Insights from other WPs 	Chair: C. Wilson
13:30-14:30	Lunch	
14:30-15:15	Representation of the demand side (WP2) <ul style="list-style-type: none"> • Update and insights of transport industry and building modelling work, O. Edelenbosch (PBL) • Transport special issue progress, O. Edelenbosch (PBL) • Fuel price and income elasticities, O. Edelenbosch (PBL) • IO modelling, L. Paroussos (NTUA) 	
15:15-15:45	Uncertainty and technological change (WP4) <ul style="list-style-type: none"> • Catastrophic climate change, J. Emmerling (FEEM) • Global sensitivity analysis, M. Tavoni (FEEM) • Fuel Elasticities, J. Emmerling (FEEM) • Learning in renewables, S. Carrara (FEEM) 	Chair: D. Gernaat
15:45-16:00	Coffee break	
16:00-17:30	WP2 Break Out Group (ROOM A30) <ul style="list-style-type: none"> • Relating steel consumption to steel stocks, K. Kermeli (UU) • Energy uses in Buildings, O. Edelenbosch (PBL) • Fuel price and income elasticities, O. Edelenbosch (PBL) • IO modelling, L. Paroussos (NTUA) 	WP4 Break Out Group (ROOM A41) <ul style="list-style-type: none"> • Global sensitivity analysis, M. Tavoni (FEEM) • Fuel Elasticities, J. Emmerling (FEEM) • Learning in renewables, S. Carrara (FEEM)
17:30-18:30	Open Space (ROOMS A26, A29, A30, A41) <ul style="list-style-type: none"> • Energy subsidy publication strategy (if needed) • Diagnostics (if needed) • Other topics tbd 	

Wednesday, April 20, 2016 - ROOM A30

09:00-11:00	Wrap-up WP2-WP5 <ul style="list-style-type: none">• Policy relevant insights for synthesis products• Methodological toolboxes• Plans to finalize WP activities WP2, O. Edelenbosch (PBL), WP3, K. Riahi (IIASA), WP4, M.Tavoni (FEEM), WP5, G. Luderer (PIK)	Chair: C. Guivarch
11:00-11:30	European modelling activities - POTEnCIA model (IPTS)	
11:30-12:00	Coffee Break	
12:00-13:00	Wrap-up WP6 , Z. Vrontisi (IPTS) <ul style="list-style-type: none">• Policy Report Wrap-up WP1 , G. Luderer (PIK) <ul style="list-style-type: none">• Model documentation• Synthesis scenarios	
13:00-14:00	ADVANCE Dissemination <ul style="list-style-type: none">• Summary Policy Brochure (other Policy Briefs?)• Final conference	
14:00-15:00	Lunch
